

GLOBAL

PARTNER SUMMIT

dunnhumby | Tokyo · 24 - 26 Sep 2019

The Global Partner Summit brings together senior leaders from our global retail network to share ideas and experience first-hand how others are dealing with the challenges and opportunities facing the industry.

This year's Summit will be moving to Tokyo, Japan on Tuesday 24th – Thursday 26th September 2019 at the **InterContinental, Tokyo Bay**.

We'll take a close look at the trends and strategies used on a global scale and experience the Asian retail market first-hand during our store tours.

Join us for a packed agenda where you'll hear:

Real-world case studies of how retailers are using customer first techniques to grow sales, reduce costs and drive margin improvements.

Hosted sharing sessions with your peers around insights, innovation, and transformation in retail.

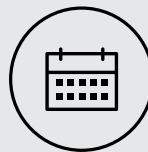

Technology demos, working sessions, and deep dives led by dunnhumby experts.

Booking onto the Global Partner Summit 2019 will ensure the following:

Register to attend 2.5 days with retail leaders from around the world and hear 4+ keynote speeches and discussions, 10+ deep dive sessions and global panels.

Book 3 days complimentary accommodation and purchase additional days around the summit as you wish. (A credit/debit card will be needed to complete this section).

Create an account that allows you to submit further information such as your summit discussion suggestions, dietary requirements as well as upload your presentations, photos and bios if needed.
