

# **Store Media**

#### **Unlock the true potential of your in-store assets**

When you want to highlight your products to shoppers with a high chance of making a purchase, few channels offer the same kind of opportunities as Store Media. With shoppers already intending to buy, and many looking for promotions and inspiration, Store Media can help connect your product messages with the perfect audience.

dunnhumby media's Store Media proposition uses industry-leading data science to help you get your products in front of the right shoppers at the right time. Using shopper insights, we can help you create memorable Store Media campaigns that make use of the most appropriate channels and locations to reach your ideal Customers.

#### Our approach can help you:

## **Build stronger Customer** relationships

Communicate your value, showcase new products, and inspire Customers with helpful and relevant Store Media content.

#### **Drive stronger sales**

Drive purchasing behaviour with consistent, tailored Store Media content that supports long-term sales uplift.

### Maximise return on advertising spend

Gain the confidence you need that your advertising spend is delivering real results with closed-loop measurement.

### A Customer First approach to Store Media

Just like any other form of advertising, the more tailored and relevant your Store Media campaigns are, the better they'll resonate with Customers. At dunnhumby media, we use data from Retailer loyalty schemes to help you better understand shopper behaviour, delivering the insights you need to identify relevant audiences and the best ways to connect with them.

Our end-to-end solution takes you all the way from audience understanding to campaign delivery and refinement.

#### How it works

## Customer First every time

We help you better understand your Customer needs, and how Store Media can create valuable new experiences for them.

#### **Data-driven planning**

Using loyalty and other data, we'll work with you to create optimised Store Media plans that deliver the greatest impact on behaviour and sales.

## Flawless multichannel delivery

From digital signage to printed point-of-sale, we ensure consistent campaign delivery in multiple media formats across your store portfolio.

## Closed-loop measurement

Demonstrate the real impact of sales and perception and refine future activity with our sophisticated suite of media measurement tools.

### Seamlessly delivered across multiple formats

Store Media offers a wide range of ways in which to reach out to Customers. We focus on helping you deliver effectively and consistently, no matter the medium.

#### **Engage**

#### **Mobile**

Deliver contextual ads to opted-in Customers when they're near to your range.

#### Radio

Use Retailer radio to communicate key product and Brand messages to Customers.

#### **Inspire**

## Sampling & Experiential

Introduce new Customers to your range and vice versa with in-store sampling.

### Magazine

Deliver ideas and recipe inspiration to Customers through Retailer-owned magazines.

#### Inform

## Printed point-of-sale

Show Customers where to find you and highlight promotions, offers and new lines.

## Digital signage

Create attentiongrabbing campaigns and in-the-moment messaging.

### Our work in action

One leading energy brand drink chose dunnhumby media to increase market penetration and encourage sales amongst new Customers:

2.2m customers reached in 3 weeks

7.7% product sales uplift during the campaign period

**57%** of customers had not previously purchased the product

3.2% sales uplift after the campaign period

### Why choose dunnhumby media?

For more than 30 years, dunnhumby has been at the forefront of helping Retailers and Brands build better connections with their Customers. We use insights based on actual behaviours to help our clients create Customer First media programmes that deliver exceptional shopping experiences and long-lasting value for all parties.

As well as our unparalleled data science expertise, our clients choose us for:

#### **Our unparalleled Retail experience**

We're trusted, longstanding partners to some of the world's best-known consumer packaged goods Brands and grocery Retailers.

#### Our proven track record

We've delivered hundreds of highly successful Retail Media programmes that have helped Brands around the world drive sales and win customers.

#### Our measurable impact

Our closed-loop approach to measurement and reporting shows you the direct link between ad spend and purchase behaviour.

in the modern data-driven economy. We always put the Customer First. Our mission: to enable businesses to grow and reimagine themselves by becoming advocates and champions for their Customers.

With deep heritage and expertise in retail — one of the world's most competitive markets, with a deluge of multi-dimensional data — dunnhumby today enables businesses all over the world, across industries, to be Customer First.

The dunnhumby Customer Science Platform is our unique mix of technology, software and consulting enabling businesses to increase revenue and profits by delivering exceptional experiences for their Customers – in-store, offline and online. dunnhumby employs over 2,000 experts in offices throughout Europe, Asia, Africa, and the Americas working for transformative, iconic brands such as Tesco, Coca-Cola, Meijer, Procter & Gamble, Raley's, L'Oreal and Monoprix.
